

ACKNOWLEDGEMENTS

The organisers of the International Foundation of Fashion Technology Institutes (IFFTI) 2025 27th Annual Conference express their gratitude to Chairperson of IFFTI, Professor Robyn Healy and Provost of London College of Fashion, Professor Andrew Teverson for their support of the conference. The guidance from the IFFTI Executive Committee was greatly appreciated and LCF wish to extend a special thanks to Professor David Zajtmann, Professor Liz Barnes and Professor José Teunissen for their advice throughout the planning of the event.

A special thank you is owed to Surbhi Nijhawan, the General Manager of the Secretariat at IFFTI, for her unwavering dedicated and patient efforts to stage the biggest conference in IFFTI's history. We are deeply grateful for her continuing efforts to grow the conference into a world-recognised event in the fashion calendar.

The organising committee wishes to thank the staff at LCF who dedicated their time to the conference: Professor Felicity Colman, Dr. Bethan Alexander, Naomi Richmond Swift, Jo Sait, the LCF Research and Knowledge Exchange Department, LCF Communications Department, the Technical and Learning Environments Department, UAL Estates, Front Desk, Baxter Storey and to the many students working passionately behind the scenes to support the smooth running of the event.

The conference was brought to you by the dedicated London College of Fashion Organising Committee Chair, John Lau and its members: Dr. Min Ji Seo, Lindsay Pentelow and Asha Hall-Jones. Thank you for introducing the new chapter in London College of Fashion's history on a global platform.

Special thanks

The 27th Annual IFFTI Conference text-based papers, posters, workshops and practice-based submissions could not have been presented without our reviewers' and panel chairs' consistent help and support, and most of all, the authors. Our thanks go to:
