NEW VISION STATEMENT

IFFTI believes that the fashion and textiles industry has the potential to become a global force for positive change and progress.

We provide a meaningful voice, representing a diverse range of Institutions from across the world providing an opportunity to share knowledge and intercultural understanding to inform, develop, shape and direct the fashion and textile curricula and research agenda.

We position a powerful collective conversation for the discipline globally as we respond and collaborate with key stakeholders including industry, government, NGOs and community groups.

We offer an inclusive approach to membership welcoming and supporting both well-established and new institutions, providing opportunities for mentoring and sharing of best and future education and research practices.
