## IFFTI Exchange Initiative

Participating in the IFFTI exchange Initiative enhances academic and Institutional Growth by fostering cross cultural collaboration and innovation in design and education.

An Enriching Academic Journey: **RMIT University, Australia** and **Institut Français de la Mode (IFM), Paris.**

Dr. Denise Sprynskyj embarked on a research visit to IFM, an enriching experience that explored the potential of fashion archives in teaching and how the manipulation of material surfaces can transform a student’s project or collection.. This exchange facilitated discussions on curriculum, pedagogy, and collaborative opportunities between RMIT and IFM."
